## Professional Experience:

### Multimedia Journalist

#### Spectrum News 13 via Report For America

*June 2020-present*

Pitch, shoot, produce and edit a mix of deep-dive and dayturn video packages about housing issues in Central Florida in a top-20 broadcast market covering nine counties. Write web stories for station's digital platform and promote stories on social media. Follow local government actions, develop sources and research local & national industry trends. As Report For America Corps Member, participate in regular trainings and work to complete a service project that engages local youth in journalism.

### Investigative Reporter

#### Howard Center for Investigative Journalism at ASU

*Jan.-May 2020*

Worked collaboratively to produce nationally-published investigation into federal agents' misconduct, a multimedia project distributed by dozens of outlets including The Associated Press, The Washington Post and The New York Times.

### Breaking News Reporter

#### The Arizona Republic/USA Today Network

*Aug.-Dec. 2019*

Reported for Arizona's largest daily newspaper and its digital platform, producing 3-5 stories per shift on local events, politics and crime, and shooting photos as needed. Contributed reporting on national coverage of Odessa shooting. Produced longform, enterprise story on organ donation trends.

### Investigative Reporting Fellow

#### Carnegie-Knight News21

*Jan.-Aug. 2019*

Worked collaboratively, traveling with colleagues across the U.S., to produce award-winning investigation into natural disaster recovery and response. Directed 26-minute documentary series episode about flooding, and produced/edited video for separate hurricanes episode. Reported on impacts of power outages, analyzing data to determine weather as leading cause of blackouts.

### Youth Media Program Manager

#### Pittsburgh Center for Arts and Media

*2014-2018*

Taught, developed curriculum for and managed staff to teach media production classes for a robust educational program serving thousands of youth & adults annually.
